Ms. Cherie Bryant made it known that Leon County is developing a new lighting policy and that the policy should be reviewed and adhered to where the roads intersect with state roadways.

TAC Action: Ms. Cherie Bryant made a motion to approve, and a second was provided by Mr. Ryan Guffey. The motion passed unanimously.

B. FDOT Adams Street Safety Recommendations

This agenda item provided FDOT recommendations related to improving pedestrian safety on South Adams Street from Orange Avenue to Paul Russell Road. The recommendations included adding a pedestrian signal at College Club Townhouses at the bus stop area, improving the lighting at the area, and relocating the bus stop from the near-side to the far-side of the townhomes driveway.

TAC members asked that the FDOT consider looking at various paving treatments and appropriate pedestrian crossing signals and advance warning notifications to improve the area for pedestrian traffic at this area and also at the Thomasville Road and North Monroe Street intersection.

Tuesday, September 13, 2016
CITIZENS MULTIMODAL ADVISORY COMMITTEE
11:30 A.M., Renaissance Building
435 North Macomb Street
Tallahassee, Fl. 32301

CMAC Members Present: Dan Beaty, Han VanTol, Britney Moore, Chad Hanson, JR Harding, Neil Fleckenstein, Dana Crosby

Staff Present: Greg Slay, Lynn Barr, Greg Burke, Jack Kostrzewa, Yulonda Mitchell; Suzanne Lex, Starsky Harrell, Michael Lewis

1. AGENDA MODIFICATIONS

- ***Election of Chair and Vice-Chair for 2017-*** Due to the cancellation of the November 2016 Meeting, the election of the Chair and Vice-Chair was moved to the September Meeting.

CMAC Action: Mr. Hans vanTol was elected as the 2017 Chair, with Mr. JR Harding being elected as the 2017 Vice-Chair.

2. CONSENT

A. Minutes of the June 7, 2016 Committee Meeting

CMAC Action: A motion was made by Mr. Dan Beaty to accept the minutes, with a second being made by Mr. Neil Fleckenstein. The motion passed unanimously.

B. CRTPA 2016 Calendar Revision

CMAC Action: A motion was made by Mr. JR Harding to accept the calendar revision (eliminating the November 2016 Meeting), with a second being made by Mr. Neil Fleckenstein. The motion passed unanimously.

Discussion on Consent Items 2A and 2B: During discussions about the committee calendar and minutes, CMAC members raised concerns about cancelling a November Meeting, resulting in violating the bylaws by not meeting at least six (6) times in a calendar year. CRTPA staff explained the cancellation was due to not having any materials to review in support of the CRTPA Board, but if they wished to hold an informal meeting with their own agenda it could be accomplished. CRTPA staff mentioned that, in the past, previous committees held meetings monthly, with the non-CRTPA meeting month being an "informal" meeting where the committee was in charge of the agenda discussion topics and attendance would be optional. The CRTPA Board was meeting in December, with the postponement taking place to enable the Board to have time to review the Draft Tentative Work program from FDOT – the Public Hearing for which was to take place on Monday, November 21, 2016. CRTPA Staff encouraged the committee members to attend the Public Hearing to receive the Work Program presentation as it would not be released to the public in time for the regularly scheduled committee meeting. Following discussion, the CMAC approved the cancellation of the November 1, 2016 CMAC Meeting.

3. PRESENTATIONS/DISCUSSION

A. Fiscal Year (FY) 2017 – FY 2021 Transportation Improvement Program (TIP) Amendment (TIP)

Mr. Greg Burke, CRTPA Staff, introduced five (5) proposed changes to the FY 2017-2021 TIP, all of which involved LED lighting improvements, which Mr. Mike Lewis of FDOT further explained to the committee:

- US 90 (Monroe Street to Buck Lake Road) (Project #4395711): Add funding for lighting in FY 17.
- US 90/W. Tennessee Street (Blountstown Highway to N. Duval Street) (Project #4395741): Add funding for lighting in FY 17.
- US 27 (Ross Road to Call Street) (Project #4395751): Add funding for lighting in FY 17.
- W. Pensacola Street (Appleyard Drive to Chapel Drive) (Project #4395791): Add funding for lighting in FY 17.
- Lake Bradford Road (Levy Avenue to Jackson Bluff Road) (Project #4395801): Add funding for lighting in FY 17.

CMAC Action: Mr. Hans vanTol made a motion to approve, and a second was provided by Mr. Chad Hanson. The motion passed unanimously.

B. FDOT Adams Street Safety Recommendations

This agenda item provided FDOT recommendations related to improving pedestrian safety on South Adams Street from Orange Avenue to Paul Russell Road. The recommendations included adding a pedestrian signal at College Club Townhouses at the bus stop area, improving the lighting at the area, and relocating the bus stop from the near-side to the far-side of the townhomes driveway.

Mr. Hans vanTol asked Mr. Lewis to consider adding sharrows the entire length of the roadway if bike lanes could not be retrofitted into the segment via elimination of medians.

CMAC Action: No action was taken. This item was for discussion only.

C. CRTPA Regionally Significant Roadways

CRTPA Staff provided an update on the task of identifying for FDOT the regionally significant roadways in the CRTPA area. CMAC member, Hans vanTol asked for clarification on why Weems Road was identified as regionally significant and Mr. Jack Kostrzewa provided a response. Weems Road is regionally significant because it relieves roads that ARE regionally significant such as Mahan Drive. In the context of being a "reliever" to a significant regional roadway, the designation made sense to the CMAC as a whole as they agreed that driver patterns reveal usage of Weems to avoid the intersection of Mahan and Capital Circle.

CMAC Action: Mr. Hans vanTol made a motion to approve, with a second from Mr. Neil Fleckenstein. The motion passed unanimously to approve the Regionally Significant Roadways.

D. CRTPA Fiscal Year (FY) 2018 – FY 2022 Priority Project Lists

CRTPA staff presented the FY 2018-2022 Priority Project Lists to the committee for an approval recommendation to the CRTPA Board. Mr. Dan Beaty made a motion to approve all lists, with the exception of the Bicycle and Pedestrian Priority Project List, which was seconded by Mr. Hans vanTol. CRTPA staff had asked the CMAC to consider moving the previously #1 project on the list – The Florida Arts Trail – to the bottom of the list due to the recent lack of unified support and agreement from Gadsden County governments. Although the CMAC members felt the project was worthy of remaining in the #1 spot, as a whole the felt that it was not appropriate to forward the project as the CRTPA's highest priority since it did not have local government support from the county where the trail is located.

CMAC Action: The CMAC voted to approve the *Bicycle and Pedestrian Priority Project List* with the Florida Arts Trail Project moved to the bottom of the list in a vote of seven (7) for, and one (1) against (Mr. Chad Hanson). Mr. Hans vanTol made the motion, which was seconded by Mr. Neil Fleckenstein. The remainder of the Priority Project Lists were unanimously approved as presented, with the motion being made by Mr. Dan Beaty, and seconded by Mr. Hans vanTol.

  The September 19, 2016 CRTPA Agenda was provided for committee information.

6. ITEMS FROM COMMITTEE MEMBERS OR STAFF

- **CMAC Minutes & Representation at CRTPA Board Meetings**
  CMAC members initiated discussions with FDOT and CRTPA Staff about the possibility of moving the Committee Actions to the beginning of the CRTPA Agenda, and having a representative of the CMAC be given a moment to address the Board about their actions at the start of each CRTPA Board Meeting. Ms. Suzanne Lex, FDOT, indicated that other MPO's have done similar things and that it is up to the discretion of the CRTPA Board on if they wish to do this. Mr. Greg Slay, CRTPA Executive Director, indicated that this would be shared with the Chair of the CRPTA to see if this is an Agenda Modification they would like to initiate as a future way of proceeding, much like Blue Print currently does.

  Additionally, CMAC members requested that their minutes become more detailed and capture the discussion around the table in addition the action that they take.

CMAC Action: The CMAC made a motion to have more detailed minutes prepared and to ask CRTPA Staff to ask the CRTPA Board if the committee could provide their actions to the Board themselves at the beginning of the CRTPA Meetings. The Motion was made by Mr. Hans vanTol and seconded by Mr. Neil Fleckenstein. The motion passed unanimously.

Committee AGENDA 3B

FISCAL YEAR 2017 – FISCAL YEAR 2021
TRANSPORTATION IMPROVEMENT PROGRAM AMENDMENT

TYPE OF ITEM: Discussion

STATEMENT OF ISSUE

The purpose of this item is to amend the CRTPA Fiscal Year (FY) 2017 – FY 2021 Transportation Improvement Program (TIP) to reflect the following:

- Coastal Trail West (US 98 from Surf Road to US 319) (Project #4399261): Add design funding in FY 17 for this trail project.
- Coast Trail East (US 98 from Woodville Highway to Lighthouse Road) (Project #4405501): Add design funding in FY 17 for this trail project.

RECOMMENDED ACTION

Option 1: Recommend the CRTPA adopt a resolution amending the FY 2017 – FY 2021 Transportation Improvement Program to reflect:

- ADD PROJECT: Coastal Trail West (US 98 from Surf Road to US 319) (Project #4399261): Add design funding in FY 17.
- ADD PROJECT: Coast Trail East (US 98 from Woodville Highway to Lighthouse Road) (Project #4405501): Add design funding in FY 17.

HISTORY AND ANALYSIS

The CRTPA's Transportation Improvement Program is adopted annually and identifies those projects in the region that have received state and federal funding. Frequently, the TIP needs to be formally amended to reflect project changes such as the addition or deletion of a project and changes to existing projects related to funding or project scope.

The CRTPA was recently contacted by the Florida Department of Transportation to amend the current TIP to reflect the addition of funding for the design of the Coastal Trail East and West multi-use trail projects. The two (2) projects are part of the CRTPA's Capital City to the Sea Trails project and are being funded through the Shared-Use Nonmotorized (SUN) Trail Program.

The following projects are proposed to be added to the FY 2017 – FY 2021 TIP:

Coastal Trail West (US 98 from Surf Road to US 319) (Project #4399261): Add design funding ($820,000 in FY 17) for this trail project (9.23 miles in length).

Coast Trail East (US 98 from Woodville Highway to Lighthouse Road) (Project #4405501): Add design funding ($220,000 FY 17) for this trail project (2.733 miles in length).
