

CITIZEN'S MULTIMODAL ADVISORY COMMITTEE

11:30 AM, 5th Floor Conference Room

GEMINI BUILDING

408 North Adams Street
Tallahassee, Fl. 32301

May 12, 2015

1. AGENDA MODIFICATIONS

2. CONSENT

A. Minutes of the April 14, 2015 Committee Meeting

The minutes of the April 14, 2015 Committee Meeting are provided for committee review and approval.

Recommended Action: *Approve the April 14, 2015 Committee Meeting Minutes.*

B. Draft Fiscal Year (FY) 2016-FY 2020 Transportation Improvement Program (TIP)

The Draft FY 2016-2020 TIP is provided for committee review and approval of CRTPA Board to transmit the document to FDOT for review.

Recommended Action: *Approve the Draft FY 2016-FY 2020 TIP.*

3. PRESENTATIONS / DISCUSSION / ACTION

A. Florida Transportation Plan & Strategic Intermodal System Plan Update

Staff from the Florida Department of Transportation (FDOT) District 3 will present information related to the update of these two plans.

Recommended Action: *For committee information*

If you have a disability requiring accommodations, please contact the Capital Region Transportation Planning Agency at (850) 891-6800. The telephone number of the Florida Relay TDD Service is #711.

B. Capital City to the Sea Trail – Coastal Trail

The Coastal Trail Project Development and Environment (PD&E) Study began in March of 2014 and Kimley-Horn and Associates will be presenting the findings from the study to the committees and CRTPA Board for approval.

Recommended Action: *For committee approval.*

C. Connections 2040 Regional Mobility Plan – Draft Final Cost Feasible Plan

The Draft Cost Feasible Plan was presented for public review and comment on April 23rd and 27th in the CRTPA region. The comments have been reviewed and a Draft Final Cost Feasible Plan for the RMP has been developed for committee and CRTPA Board review. At this time, the compiled public comment and proposed Draft Final Cost Feasible Plan is available for committee review, comment, and recommended action.

Recommended Action: *For committee action.*

4. OPEN FORUM FOR PUBLIC COMMENT

Citizens are invited to address the Committee.

5. INFORMATION

- **May 18, 2015 CRTPA Agenda**

The May 18, 2015 CRTPA Agenda is provided for committee information.

6. ITEMS FROM COMMITTEE MEMBERS OR STAFF

- **Next Committee Meeting Date: June 23, 2015**

May 12, 2015

COMMITTEE AGENDA ITEM 2A

CRTPA COMMITTEE MEETING MINUTES

REQUESTED BY: CRTPA

TYPE OF ITEM: Discussion/Approval

STATEMENT OF ISSUE

The minutes of the April 14, 2015 Citizen's Multimodal Advisory Committee (CMAC) Meeting are provided for review and approval.

RECOMMENDED ACTION

Option 1: Approve the April 14, 2015 CMAC Meeting Minutes.

None.

2. CONSENT

A. Minutes of March 3, 2015 CMAC Meeting

CMAC Action: The minutes of the March 3, 2015 Meeting Minutes were approved unanimously with a quorum present.

3. PRESENTATIONS & ACTION ITEMS

A. Connections 2040 Regional Mobility Plan -Project Prioritization Process

Mr. Jack Kostrzewa, CRTPA staff, and Mr. Jon Sewell, KHA, introduced the proposed DRAFT Cost Feasible Plan for committee review and comment for CRTPA Board consideration. The discussion points are indicated on the following page.

- **Regional Mobility Plan Draft Cost Feasible Plan - CMAC Discussion Points:**

- **Quincy Bypass** – CMAC member Willie Brown noted that the Quincy Bypass project is not showing funding for any phases of the project within Tiers 2-4 (the lifetime of the plan).
- **Florida Arts Trail** – CMAC member Willie Brown questioned why the funding for the subsequent phases of the project was not programmed earlier than year 2021. CRTPA staff explained that this was the earliest year the funding was available.
- **Bike Lane Removal** – One CMAC member, Hans vanTol, expressed disagreement about the scoring and removal of stand-alone bike lane projects from the Cost Feasible Plan and indicated a lack of bike projects occurring in the MMTD area of Leon County. Specifically, the discussion centered on a feeling that bicycle projects should be assessed a higher scoring for Universal Access and that the projects should be included with cost figures for the Cost Feasible Plan. As with the TAC discussions earlier, CRTPA staff and consultant staff provided an explanation of the removal of projects stemming from a lack of understanding of the implications, costs, and desires of the local governments with regard to the appropriate street treatment for the bike lane projects in question. CRTPA staff and consultant staff indicated that the removed bike lane projects should be further evaluated in a study to determine the options and costs associated with each bike lane retrofit and that the results of the study would provide the necessary information for local governments to determine the course of action they would like to pursue. CMAC members requested that the manner in which these projects could be rolled back into the plan be included in the Cost Feasible Plan.

With regard to the scoring of the bike lane projects receiving less than “Shared Use Path” projects, the intent of the scoring was reminded to CMAC members by CRTPA staff of the “vulnerable user” in mind, such as those needing mobility aids, children, and an aging population. It has been the CMAC’s mission to eliminate mobility barriers and improve independent mobility as much as possible through the regional mobility plan, and the scoring for Universal Access was intended to place an emphasis on projects that promote and further independent and safe mobility for the most vulnerable user populations within the CRTPA area, which includes children, the elderly, low income, and differently-abled persons. The Shared Use Path is deemed to be the highest scoring project for providing universal access as it provides access for all the vulnerable populations, as well as cyclists. Discussions ended with an understanding that the bicycle lane projects would be removed and recommended for further study and the intent of this included in the Regional Mobility Plan.

CMAC Members recommended approval of the Draft Cost Feasible Plan (in a vote of 5 in favor and 1 opposed) with a request to include the discussion points above for CRTPA Board consideration as part of their recommendation.

B. OPEN FORUM FOR PUBLIC COMMENT: *None.*

D. INFORMATION

The April 20, 2015 CRTPA Agenda was provided for committee information.

E. ITEMS FROM COMMITTEE MEMBERS OR STAFF: *None.*

<p>The next CMAC Meeting date was announced as May 12, 2015.</p>

COMMITTEE AGENDA ITEM 2 B

**DRAFT FISCAL YEAR (FY) 2016 – FY 2020
TRANSPORTATION IMPROVEMENT PROGRAM (TIP)**

REQUESTED BY: FDOT

TYPE OF ITEM: Consent

STATEMENT OF ISSUE

Consistent with state and federal requirements, the DRAFT Fiscal Year (FY) 2016– FY 2020 Transportation Improvement Program (TIP) has been developed (a link to the document can be found on the agency's homepage: www.crtpa.org) for Capital Region Transportation Planning Agency (CRTPA) transmittal to the Florida Department of Transportation (FDOT) for review.

RECOMMENDED ACTION

Option 1: Recommend CRTPA transmit the Draft FY 2016 – FY 2020 TIP to the Florida Department of Transportation for review.

HISTORY AND ANALYSIS

The CRTPA Transportation Improvement Program identifies regional transportation projects (roadway, bicycle and pedestrian, transportation systems management, transportation enhancement, public transportation, aviation, resurfacing and bridge projects) that have received funding in the Florida Department of Transportation's (FDOT) Five-Year Work Program. The TIP is developed in accordance with 23 U.S.C. 134(h), 23 CFR 450 and Chapter 339.175(7), F.S., and is one of the annual requirements of the metropolitan transportation planning process for the CRTPA.

The purpose of the TIP is to inform the public and governmental agencies of transportation projects (planning through construction) that have received funding during the next five-year period (FY 2016 – FY 2020) within our region (Gadsden, Jefferson, Leon and Wakulla counties).

Projects contained within the DRAFT FY 2016 – FY 2020 TIP reflect those projects that were presented to the CRTPA Board on January 12, 2015 by the FDOT District 3 during their presentation of the FDOT

Draft FY 2016– FY 2020 Five-Year Work Program. The following contains a summary of the new or changed projects that are included in the DRAFT FY 2016 – FY 2020 TIP:

NEW PROJECTS

Gadsden County:

- ❑ Interstate 10 (SR 8) Ramp to Rest Area over I-10 Bridge# 500075 & 500076. **Bridge Repair/Rehabilitation** (PE) in FY 16 (\$77,000) (2225392).
- ❑ Interstate 10 (SR 8): west of Flat Creek Road (CR 270A) to west of Pat Thomas Parkway (SR 267). **Resurfacing** (PE, CST) in FY 16 & 18 (\$12.2 million) (4366631).
- ❑ Quincy Loop North: SR 12 to SR 267. **PD&E/EMO Study** (PDE) in FY 16 (\$550,000) (2189464).
- ❑ Quincy Loop South: SR 267 to US 90 East. **PD&E/EMO Study** (PDE) in FY 16 (\$825,000) (2189465).
- ❑ Pat Thomas Parkway (SR 267): south of I-10 to Jefferson Street (US 90/SR 10A). **Resurfacing** (PE, CST) in FY 16 & 18 (\$5.4 million) (4362681).
- ❑ Adams Street (CR 268): Martin Luther King Jr Boulevard (CR 274) to Clark Street. **Sidewalk** (PE) in FY 19 (\$49,000) (4369921).
- ❑ High Bridge Road (CR 268): Joe Adams Road to Brickyard Road. **Widen/Resurface Existing Lanes** (PE) in FY 18 (\$300,000) (4366151).
- ❑ Juniper Creek Road (CR 65A) over Juniper Creek Bridge No. 504050. **Bridge Replacement** (PE) in FY 16 (\$704,000) (4358021).
- ❑ Old Federal Road (CR 65B): north of SR 267 to High Bridge Road (CR 268). **Widen/Resurface Existing Lanes** (CST) in FY 18 (\$2.4 million) (4368441).
- ❑ Howell Road: Mt Pleasant Road to US 90 (SR 10). **Resurfacing** (CST) in FY 17 (\$99,000) (4367251).
- ❑ McPhaul Road: Atwater Road to west of Left Hand Drive. **Flexible Pavement Reconstruction** (CST) in FY 16 (\$419,000) (4368271).

Jefferson County:

- ❑ Waukeelah Highway (CR 259): US 19 (SR 57) to north of I-10 (SR 8) Overpass. **Widen/Resurface Existing Lanes** (CST) in FY 18 (\$1.2 million) (4368461).
- ❑ Big Joe Road: Aucilla Highway (CR 158) to US 90 (SR 10). **Widen/Resurface Existing Lanes** (CST) in FY 16 (\$898,000) (4368251).
- ❑ Curtis Mill Road over Buggs Creek Bridge No. 544077. **Bridge Replacement** (PE, ROW & CST) in FY 16, 18 & 20 (\$1.8 million) (4357821).
- ❑ Pinhook Road: Gamble Road (SR 59) to Waukeelah Highway (CR 259). **Resurfacing** (CST) in FY 18 (\$158,000) (4366681).
- ❑ St. Augustine Road: Gamble Road (SR 59) to Armstrong Road. **Resurfacing** (CST) in FY 17 (\$472,000) (4367231).

Leon County:

- ❑ Interstate 10 (SR 8) at SR 263 (Capital Circle, NW) & SR 61 (US 319) Interchange Studies. **PD&E/EMO Study** (PE) in FY 20 (\$2,200,000) (2225935).
- ❑ Adams Street Railroad Crossing (No. 625587-U). **Rail Safety Project** (RRU) in FY 16 (\$357,000) (4365701).
- ❑ US 90 (SR 10): east of CR 59 to Jefferson County line. **Pave Shoulders** (CST) in FY 17 (\$1.5 million) (4134483).
- ❑ US 90 (SR 10): Ochlockonee River Bridge to Poplar Road. **Resurfacing** (PE, CST) in FY 16 & 18 (\$3.1 million) (4362571).
- ❑ Capital Circle (US 319/SR 261): Woodville Highway (SR 363) to Tram Road. **Landscaping** (CST) in FY 17 (\$789,000) (2196893).
- ❑ Capital Circle (US 319/SR 263): Crawfordville Road (SR 61) to Springhill Road. Preliminary Engineering for Future Capacity (ROW, CST) in FY 19 & 20 (\$38.8 million – NOTE: The identified funding represents BP 2000 funds) (2197492).
- ❑ Wakulla Springs Road (SR 61) @ Oak Ridge Road Intersection. **Roundabout** (PE, CST) in FY 16 & 18 (\$958,000) (4367261).
- ❑ Monroe Street (US 27/SR 63): John Knox Road to Thomasville Road (SR 61). **Resurfacing** (PE, CST) in FY 16 & 18 (\$3.8 million) (4325591).
- ❑ Monroe Street (US 27/SR 63): south of Lakeshore Drive to north of John Knox Road. **Add Right Turn Lane** (CST) in FY 16 (\$1.7 million) (4104092).
- ❑ Seventh Avenue: Colonial Drive to Thomasville Road (SR 61). **Sidewalk** (CST) in FY 16 (\$301,000) (4371441).
- ❑ Weems Road Railroad Crossing No. 625577N. **Rail Safety Project** (RRU) in FY 16 (\$282,000) (4365721).
- ❑ County Wide Railroad Crossing Signal Keydowns. **Rail Safety Project** (RRU) in FY 16 (\$50,000) (4365731).
- ❑ Glenview Drive: Meridian Road to Thomasville Road (Phase I - Design). **Sidewalk** (PE) in FY 18 (\$37,000) (436991).
- ❑ Myers Park Railroad Crossing No. 625584Y. **Rail Safety Project** (RRU) in FY 16 (\$257,000) (4365711).

Wakulla County:

- ❑ SR 30 (US 98) Coastal Highway: Davisville Way to SR 363 (Woodville Highway). **Bike Path/Trail** (CST) in FY 20 (\$1.7 million) (4301466)
- ❑ SR 30 (US 98) Coastal Highway: Horttor Greene Road to Davisville Way. **Bike Path/Trail** (CST) in FY 19 (\$1.6 million) (4301465)
- ❑ SR 30 (US 98) Coastal Highway: St. Frances Street to Horttor Greene Road. **Bike Path/Trail** (CST) in FY 2018 (\$1.2 million) (4301464)
- ❑ SR 30 (US 98/US 319): Boykin Road to SR 369. **Resurfacing** (PE, CST) in FY 16 & 18 (\$4.5 million) (4362612).
- ❑ SR 30/SR 61 (US 98) SR 30/SR 61 (US 98) Coastal Highway: Boykin Road to SR 363 (Woodville Highway). **Bike Path/Trail** (PE) in FY 16 (\$870,000) (4301462)
- ❑ SR 30/SR 61 (US 98) Coastal Highway: Boykin Road to St. Frances Street. **Bike Path/Trail** (CST) in FY 17 (\$1.4 million) (4301463).
- ❑ SR 30/SR 61 (US 98) Coastal Highway: north of Mound Street to south of Post Office. **Sidewalk** (PE, CST) in FY 18 & 19 (\$320,000) (4370891)
- ❑ SR 30/SR 61 (US 98) Coastal Highway: Franklin County line to Boykin Road. **Resurfacing** (PE, CST) in FY 16 & 18 (\$4.3 million) (4362611)
- ❑ US 319 (SR 369): East Ivan Road to north of SR 267. **Add Lanes & Reconstruct** (ENV, CST) in FY 16 & 18 (\$18 million) (2204957).
- ❑ US 319 (SR 369): north of SR 267 to Leon County line. **Add Lanes & Reconstruct** (ENV, CST) in FY 16 & 18 (\$19.2 million) (2204958).
- ❑ US 319 (SR 61): US 98 (SR 30) to Lost Creek Bridge. **Preliminary Engineering for Future Capacity** (PE) in FY 17 (\$2.8 million) (2204954).
- ❑ US 319 (SR 61 & 39): Lost Creek Bridge to south of East Ivan Road. **Right of Way for Future Capacity** (PE) in FY 17 (\$3.8 million) (2204953).
- ❑ Smith Creek Road (CR 375): north of CR 22 to north of Syfrett Creek. **Widen/Resurface Existing Lanes** (CST) in FY 17 (\$1.049 million) (4368351).
- ❑ Lawhon Mill Road (FH356) over Unsigned Stream Bridge No. 594005. **Bridge Replacement** (PE, ROW & CST) in FY 16, 18 & 20 (\$1.28 million) (4358001).
- ❑ Martin Luther King, Jr., Memorial Road: Spring Creek Highway (CR 365) to US 98 (CR 30). **Resurfacing** (CST) in FY 18 (\$1.5 million) (4366911).

REGIONAL (Gadsden, Jefferson, Leon and Gadsden counties)

- ❑ CRTPA Bicycle/Pedestrian Projects (annual set aside). Funding Action in FY 20 (\$1.4 million) (4098036).

CHANGED PROJECTS

Gadsden County:

- ☐ NONE

Jefferson County:

- ☐ Mamie Scott Drive: Mississippi Street to Texas Hill Road. **Sidewalk (Construction)** deferred from FY 15 to FY 16 (\$502,000) (4317431).

Leon County:

- ☐ Capital Circle (SR 263): Springhill Road to Orange Avenue (SR 371). Portion of **Right of Way** funding deferred from FY 16 to FY 17 (\$8.6 million in FY 16 and FY 17) (4157829).
- ☐ 6th Avenue Sidewalk Project. **Bike Lane/Sidewalk** right of way funding deleted in FY 16 (\$550,000) (4301471).

Wakulla County:

- ☐ US 319 (SR 369): East Ivan Road to north of SR 267. **Add Lanes & Reconstruct** (ROW). Project advanced from FY 17, 18 & 19 to FY 16, 17 & 18 (\$8.2 million) (2204957).
- ☐ US 319 (SR 61) @ Wakulla/Arran Road Intersection. **Intersection Improvement** (CST). Project deleted in FY 16 due to project being incorporated in larger capacity project on corridor (\$669,000) (4319481).

* PROJECT PHASES ABBREVIATION KEY:

PLN = Planning; PE = Preliminary Engineering (Design); CST = Construction; ROW = Right of Way; ENV = Environment; RRU = Rail Road/Utilities

NEXT STEP

Subsequent to C RTPA approval of the draft TIP, staff will transmit the document to the Florida Department of Transportation for formal review. A public meeting to formally present the document to the public for review and comment will be conducted on June 10 and 11, 2015 in each of the four (4) C RTPA counties. The meetings will be conducted in conjunction with the FY 2017 – FY 2021 Priority Project Lists public meetings which, like the TIP, are also scheduled to be adopted at the June C RTPA Board meeting.

COMMITTEE AGENDA ITEM 3 A

**FLORIDA TRANSPORTATION PLAN AND
STRATEGIC INTERMODAL SYSTEM PLAN
UPDATE**

REQUESTED BY: FDOT

TYPE OF ITEM: Consent

STATEMENT OF ISSUE

The Florida Department of Transportation (FDOT) District 3 will present information related to the update of the Florida Transportation Plan (FTP) and Strategic Intermodal System (SIS) Policy Plan.

The FTP establishes the policy framework for allocating state and federal transportation funds. The SIS comprises the state's largest and most strategic transportation facilities, including major air, space, water, rail, and highway facilities. The SIS facilities are the primary means for moving people and freight between Florida's diverse regions, as well as between Florida and other states and nations.

To learn more, please visit: www.FloridaTransportationPlan.com.

May 12, 2015

AGENDA ITEM 3B

CAPITAL CITY TO THE SEA - COASTAL TRAIL PROJECT DEVELOPMENT AND ENVIRONMENT (PD&E) STUDY

REQUESTED BY: CRTPA

TYPE OF ITEM: Discussion/Approval

STATEMENT OF ISSUE

The purpose of this item is to present the findings from the Capital City to the Sea – Coastal Trail Project Development and Environment (PD&E) Study and Conceptual Alignment.

RECOMMENDED ACTION

Option 1: Recommend approval of the Conceptual Alignment as defined in the Project Development and Environment (PD&E) Study.

HISTORY AND ANALYSIS

Background

The Capital City to the Sea Trails Master Plan was adopted by the CRTPA in March of 2014. The top ranked project from the Master Plan was the US 98 Trail, now known as the Coastal Trail, which was funded through remaining Master Plan funds. The Coastal Trail Project Development and Environment (PD&E) Study began in June of 2014 with project limits beginning at CR 59 (the entrance road to the St. Marks Wildlife Refuge) to the east to Surf Road to the west, shown as **Attachment 1**.

Over the course of the last 10 months the Project Team has worked with the Federal Highway Administration (FHWA), Florida Department of Transportation (FDOT), Florida Department of State, (FDOS), and Wakulla County to ensure that the PD&E study meets all the requirements necessary to move this project forward to the Design Phase.

Categorical Exclusion

A Categorical Exclusion (CE) is a project or a category of actions which do not individually or cumulatively have a significant environmental impact, and are excluded from the requirement to prepare an Environmental Assessment (EA) or an Environmental Impact Statement (EIS). However, this does not mean that an environmental analysis isn't required.

The FDOT has a prescribed method for determining a Class of Action (COA) for projects with bike and pedestrian facilities falling under a Type I Categorical Exclusion. These types of projects allow the FDOT to be the lead agency for the project thus shortening the time for review and approval of the project.

Design and Construction Phase

Since the section from Woodville Highway to US 319 does not require right-of-way, and connects to the St. Marks Trail, the Project Team recommended that this section would be the first to fund for design and construction. CRTPA staff, working with FDOT, was able to fund the Design Phase and Construction Phase of the project. However, the funding is not currently available to build Segment 2 under a single contract so Segment 2 was further divided into four smaller segments to complete. These segments include the following with the year of construction:

1. Boykin Road to St. Francis Street, Construction 2016/2017
2. St. Francis Street to Horttor Greene Road, Construction 2017/2018
3. Horttor Greene Road to Davisville Way, Construction 2018/2019
4. Davisville Way to Woodville Highway, Construction 2019/2020

These are the projects segments that are currently shown in the FDOT Draft 2016 – 2020 Work Program shown as **Attachment 2**.

State Infrastructure Bank Loan

One of the efforts that CRTPA staff and the Project Team are pursuing, as was presented to the CRTPA Board at the April 20, 2015 CRTPA meeting, is the use of a State Infrastructure Bank (SIB) loan to aggregate the above individual segments (four individual projects) into a single project. This would reduce the collective project costs and complete the project under one contract instead of four. CRTPA staff will keep Board members up to date as this effort progresses.

NEXT STEPS

Public Meeting

After the CRTPA Board approves the Coastal Trail PD&E Study, the Project Team will hold a public meeting to receive comments on the project.

RECOMMENDED ACTION

Option 1: Recommend approval of the Conceptual Alignment as defined in the Project Development and Environment (PD&E) Study.

Option 2: Provide other Direction

COMMITTEE AGENDA ITEM 3C

**CONNECTIONS 2040 REGIONAL MOBILITY PLAN (RMP)
DRAFT FINAL BIKE/PEDESTRIAN AND ROADWAY COST FEASIBLE PLANS**

REQUESTED BY: CRTPA

TYPE OF ITEM: Discussion/Approval

STATEMENT OF ISSUE

The purpose of this item is to discuss the process that the Project Team utilized to move from the Draft Cost Feasible Plan that was presented at the April 20, 2015 CRTPA Board meeting to the Draft Final Cost Feasible Plan being presented at the May 18, 2015 meeting.

RECOMMENDED ACTION

Option 1: Approve the Draft Final Bike/ Pedestrian and Roadway Cost Feasible Plans.

HISTORY AND ANALYSIS

Since the CRTPA Board approved the Draft Cost Feasible Plan on April 20, 2015, the Project Team held public meetings and developed the Draft Final Cost Feasible Plan. These efforts are described below:

Public Meetings

The Project Team held meetings in all four counties that constitute the CRTPA region. The first series of meetings were held on April 23, 2015 in Gadsden and Wakulla counties followed by meetings in Jefferson and Leon counties on April 27, 2015.

The public comments regarding the Draft Cost Feasible Plan are shown as ***Attachment 1***.

Draft Final Cost Feasible Plan

The Draft Cost Feasible Plan that was presented at the April 20, 2015 CRTPA meeting included the projects that the Project Team feels can be moved forward successfully into the next five years (when the plan is updated again) with both completed efforts and initiating other efforts. The roadway plan and bike/pedestrian plan both demonstrate the Project Team's "finish what you started, make it realistic and implementable" approach.

There are a few changes to the Draft Final Cost Feasible Plan format that are discussed below and on the following page.

<u>Bike and Pedestrian</u>

Tier 1 Projects

Currently, there are no stand-alone bicycle or pedestrian projects in Tier 1 (2016-2020) that are seeking funding in Tier 2 or 3 with the exception of the Glenview Drive (Meridian Road to Thomasville Road) sidewalk. This project was approved as the top priority for the Transportation Alternative (TA) Program at the April 20, 2015 CRTPA Board meeting. If the project is successful in being funded with TA funds then appropriate action will be taken to “modify” the Cost Feasible Plan.

Tier 2 Projects

There are two projects that have PD&E Studies underway or completed that are seeking funding in Tier 2 and beyond and those are:

1. Florida Arts Trail North Corry Street to Florida-Georgia Highway (Design)
2. North Trout Pond Trail Springhill Road to Downtown Tallahassee/ St. Marks Trail (Design)

Early Phase and Late Phase

There are two projects that are divided into Early and Late Phases based on the cost of the project and they are:

1. Florida Arts Trail (North Corry Street to Florida-Georgia Highway)
2. North Trout Pond Trail (Springhill Road to Downtown Tallahassee/St. Marks Trail)

Tiers 2, 3, and 4 and the “Vision” projects

Similar to the roadway projects, all other projects not funded from the Needs Plan are on the second page of the Bike and Pedestrian Draft Final Cost Feasible Plan, known as the bike and pedestrian “Vision Plan”.

The Draft Final Bike and Pedestrian Cost Feasible Plan is shown as **Attachment 2, Page 1**, and the Bike and Pedestrian Vision Plan is shown as **Attachment 2, Page 2**.

Roadway

Tier 1 Projects

The Project Team added Tier 1 funding into the Draft Final Cost Feasible Plan to demonstrate how these efforts will be completed. Just to clarify, these are not the only projects in Tier 1, just the projects that have incomplete funding. There are seven projects that have funding in Tier 1, including:

1. Woodville Highway - Capital Circle, Southeast to Paul Russell Road (Right-of-way)
2. Capital Circle, Southwest - Springhill Road to Orange Avenue (Right-of-way)
3. Capital Circle, Southwest - Springhill Road to Crawfordville Road (Right-of-way)
Note: The funds shown in Tier 1 (Florida Department of Transportation (FDOT) Work Program - \$38,804,000) are Blueprint 2000 funds or LF (Local Funds) as noted by the FDOT. No agreement has been reached about the utilization of these funds and therefore the project as shown in **Attachment 2** uses CRTPA funds to complete the project. This effort will have better definition as the FDOT, CRTPA and Blueprint 2000 coordinate funding efforts in the near future.
4. Crawfordville Road - US 98 to Lost Creek Bridge (Design)
5. Crawfordville Road - Lost Creek Bridge to East Ivan Road (Design)
6. Quincy Bypass South - Pat Thomas Parkway to Jefferson Street (PD&E)
7. Quincy Bypass North - Bainbridge Highway to Havana Highway (PD&E)

Not all of the projects are estimated to be completed in Tier 2 (2021-2025), some will carry through to Tiers 3 (2026-2030) and 4 (2031-2040). The main point to showing the flow of these projects is to maximize the opportunities available for funding partnerships without having to lockdown a specific time period since there are so many “unknowns” with these efforts considering the limited projected revenues.

Early Phase and Late Phase

There are some refinements that were discussed at the April 20, 2015 CRTPA Board meeting that divided the projects into two phases: Early Phase and Late Phase. The Early Phase constitutes 25% of the project COST and includes efforts such as the initial Project Development and Environment Study (PD&E) and Design Phase for projects. The Late Phase includes the Right-of-Way and Construction Phases for the projects and is 75% of the estimated project cost.

Tiers 2, 3, and 4 and the “Vision” projects

The last change that occurred in presenting the Draft Final Cost Feasible Plan projects is the separation of the Tier 2, 3, and 4 projects from the “Vision” projects. Vision projects are Needs Plan projects for which no funding has been identified to complete within the year 2040 timeframe.

Two separate sheets were created to present the “tiered” projects and “Vision” projects. The main reason for this was to focus on the projects utilizing the revenues from all sources.

The Draft Final Roadway Cost Feasible Plan is shown as **Attachment 2, Page 3**, and the Roadway Vision Plan is shown as **Attachment 2, Page 4**.

Transit

The Project Team continues to work with StarMetro in identifying transit projects in incorporate into the Connections 2040 Regional Mobility Plan and will be presented at a future CRTPA meeting for finalization. The Draft Transit projects are shown as

The Draft Transit Plan is shown as **Attachment 2, Page 5.**

Project Schedule

There is one adjustment to the schedule regarding the Public Hearing. The schedule originally showed a May 12, 2015 date for an ad placement, a May 22, 2015 public meeting for the Draft Final Cost Feasible Plan, June 12, 2015 ad for the Final Cost Feasible Plan, and a June 22, 2015 Public Hearing (all shown in green). These dates were predicated on the need to have a Public Hearing for the Adoption of the Connections 2040 Regional Mobility Plan (RMP). However, after discussing with the Federal Highway Administration, the June 29, 2015 CRTPA Board meeting is to approve the Cost Feasible Plan (one component of the Connections 2040 RMP), not adopt the entire document. Therefore, there is no need for the May 12, 2015 ad deadline, the May 22, 2015 Draft Cost Feasible Plan meeting, the June 12, 2015 ad for the Cost Feasible Plan, or the June 22, 2015 Public Hearing. These meetings will be schedule for October of this year. The schedule shown below reflects the current schedule for approving the Final Cost Feasible Plan, and will be augmented to reflect the need to have a Public Hearing and Plan Adoption in November.

The schedule for the remainder of the project is included below to ensure that members are aware of remaining project tasks.

February 9, 2015 –	Approval of Evaluation Criteria - COMPLETED
February 9, 2015 –	Review and additions to Opportunities Plan - COMPLETED
March 3, 2015 –	CMAC and TAC meetings - COMPLETED
March 9, 2015* –	Presentation of project rankings (applying) Evaluation Criteria and Opportunities Plan - COMPLETED
March 9, 2015* -	Review of Connection 2040 RMP Revenues - COMPLETED
April 13 -	(no later than) – Ad for Draft Cost Feasible Plan in paper - COMPLETED
April 14, 2015 –	CMAC and TAC Meetings - COMPLETED
April 20, 2015* –	CRTPA Meeting - Draft Cost Feasible Plan
April 22, 2015 –	Public Meeting for Draft Cost Feasible Plan
May 12, 2015 –	(no later than) – Ad for Draft Final Cost Feasible Plan in paper
May 12, 2015 –	CMAC and TAC Meetings
May 18, 2015* –	CRTPA Meeting - Draft Final Cost Feasible Plan
May 22, 2015 –	Public Meeting for Draft Final Cost Feasible Plan
June 12, 2015 –	(no later than) – Ad for Final Cost Feasible Plan
June 22, 2015 –	Public Hearing – Final Cost Feasible Plan
June 23, 2015 -	CMAC and TAC Meetings

June 29, 2015* – Cost Feasible Plan Approval
June 29, 2015 – CRTPA Priority Projects List(s) Approval
August 10, 2015 – Submittal of Priority Project List to FDOT

* - CRTPA Meeting

NEXT STEPS

Final Cost Feasible Plan (June 2015)

After the Draft Final Cost Feasible Plan is approved by the CRTPA Board, staff will prepare the Final Cost Feasible Plan for presentation to the Citizen Multimodal Advisory Committee (CMAC) and the Technical Advisory Committee (TAC).

RECOMMENDED ACTION

Option 1: Approve the Draft Final Bike/ Pedestrian and Roadway Cost Feasible Plans.

Option 2: Provide other Direction.

ATTACHMENT

Attachment 1: Comments from April 23, 2015 and April 27, 2015 public meetings
Attachment 2: Draft Final Cost Feasible Plan

Connections 2040 Regional Mobility Plan - Public Input

Leon County – 16 attendees

Comment Forms

- Include bike lane projects they are the preferred bike facility in urban environment with many intersections and drive way; Include paved shoulders on county roads; Include more projects in Tallahassee for cyclists and pedestrians; Include more BP projects in Leon County.
- Please expand the role of bike lanes/bike infrastructure in our regional planning
- Along the bike lane, through Killearn Lakes (Kinhega Dr) please consider removing or reducing or rounding the curbing between the bike lane and the sidewalk. As designed, it is extremely dangerous. No escape exists for cyclists if forced off the road by distracted motorists.
- Do not abandon bike lanes. "Ditto!"

Map Comments

- Do not lose sight of the Capital to the Sea project
- Do not abandon bike lanes on Capital Circle
- McGinnis Arm to on ramp, to US 27 trail connection
- Need bike lane/paved shoulders added back into visible priority lists
- Shoulder/path along Buck Lake Road
- 90 shoulder would seem a much higher priority than a trail in ANF
- Too little BP projects in Leon County
- Need more BP projects in the Multimodal Transportation District (Tallahassee)
- Appears to be very little illustrated on this map
- Orange Avenue gets repaved this year (Adams Street to Lake Bradford Road) Add bike lanes
- Another road? Why? (In reference to the addition of Welaunee Blvd).

Wakulla County – 3 attendees

Gadsden County – 11 attendees

Jefferson County – 6 attendees

Comment Forms

- Would like to see Waukeenah Highway and Jefferson Street intersection improvements be considered. The local CTST has expressed concern re: this intersection for some time; The odd angle of the intersection and slight hill which reduces visibility needs attention.

Online Comments

- I am concerned that the Draft Cost Feasible Plan is inconsistent with the adopted RMP Goals and the public input provided through the workshops (as detailed in workshop summaries) in that modes of transportation do not appear to be coordinated and integrated. There does not seem to be any coordination of transit, aviation, freight, bicycle, or pedestrian projects with the roadway projects. They seem to be isolated on separate lists and not considered as a complete multi-modal system. Many transportation modes are not presented in the Draft Cost Feasible Plan at all. While I agree that the projects should be on separate lists in the RMP, there should be some indication that the projects are coordinated with the goal of creating an interconnected, multi-modal transportation system that promotes a variety of travel choices and enhances the integration between travel modes. Whether intended or not, the project team has given the impression to many in the public that the needs of bicyclists and pedestrians are being disregarded and their input is not valued or being considered.

Email Comments

Hello Ms. Barr:

- It was good to see you all again tonight at our Jefferson County courthouse annex. As you know, I am very concerned about the speed of traffic that encompasses our main courthouse building. It is the one located downtown at the intersection of highways U.S. 90 and U.S. 19. I am not yet convinced that round- about meets the federal or state Americans with Disabilities Act (ADA) standards. Please have a traffic study done on the aforementioned busy intersection. Perhaps your CRTPA Transportation Engineers and Planners could help us install some traffic calming devices such as rumble strips, speed tables, mild speed humps, etc. at the approaches to our courthouse. I am optimistic our Community Traffic Safety Team (CTST) members are aware of some best management hazard mitigation strategies they would recommend as well.

Thanks for your time and consideration of my request. Local residents here have seen too many senior citizens, young children, and distracted individuals have near accidents with speeding vehicles as they attempt to cross our beloved downtown round-about.

Best regards,

Gene Hall, County Commissioner District 2
Jefferson County, Florida
Room 1, Courthouse
Monticello, Florida 32344
850-321-6673

Attachment 1

- I'm writing to support the inclusion of bike lanes in the C RTPA long range transportation plan. I was unable to attend last night's meeting, but heard that this topic would be discussed. I commute by bike to my work almost every day, and strongly urge the agency to plan for safe bicycling options as part of new transportation plans. This is especially important for corridors near Tallahassee's university and college campuses, such as Woodward Ave from Gaines St to FSU, so that students can get to class by bike.

Sincerely,
Brian Inouye

COMMITTEE AGENDA ITEM 5

CRTPA AGENDA

REQUESTED BY: CRTPA

TYPE OF ITEM: Information

CRTPA BOARD

MEETING OF MONDAY, MAY 18, 2015 AT 1:00 PM

CITY OF TALLAHASSEE COMMISSION CHAMBERS
300 S. ADAMS STREET
TALLAHASSEE, FL 32301

MISSION STATEMENT

"The mission of the CRTPA is to act as the principal forum for collective transportation policy discussions that results in the development of a long range transportation plan which creates an integrated regional multimodal transportation network that supports sustainable development patterns and promotes economic growth."

FINAL AGENDA

1. **AWARDS AND SPECIAL PRESENTATIONS**

- CRTPA Recognition to Ms. Delores Madison of Midway

2. **AGENDA MODIFICATIONS**

3. **CONSENT AGENDA**

- A. Minutes of the April 20, 2015 CRTPA Board Meeting
- B. Draft Fiscal Year (FY) 2016 – FY 2020 Transportation Improvement Program (TIP)
The Draft FY 2016 – FY 2020 TIP has been developed incorporating state and federally funded projects in the CRTPA region.

Recommended Action: *Approve consent agenda*

4. **CONSENT ITEMS PULLED FOR DISCUSSION**

5. **CRTPA DISCUSSION**

The public is welcome to comment on any discussion item after a motion has been made and seconded. Each member of the public is provided three (3) minutes to address the CRTPA.

A. Connections 2040 Regional Mobility Plan (RMP) Draft Final Bike/Pedestrian and Roadway Cost Feasible Plans

The RMP Draft Final Bike/Pedestrian and Roadway Cost Feasible Plans has been developed through the matching of anticipated revenue with the eligible transportation projects that have been previously been scored using the approved prioritization process.

Recommended Action: *For Board Approval*

B. Capital City to the Sea - Coastal Trail

The Coastal Trail Project Development and Environment (PD&E) Study began in March of 2014 and Kimley-Horn and Associates will be presenting the findings from the study to the CRTPA Board for approval.

Recommended Action: *For Board Approval*

C. Election of MPOAC Representative

As provided for in Florida State Statute and CRTPA By-Laws, a representative and alternate to the Florida Metropolitan Planning Organization Advisory Council (MPOAC) are elected by the CRTPA Board. The current MPOAC representative, Ms. Delores Madison of Midway, is no longer eligible to serve as the representative from CRTPA. A new MPOAC representative is required to serve the remainder of her term.

Recommended Action: *Select MPOAC Representative*

D. Florida Transportation Plan and Strategic Intermodal Plan Update

Staff from the Florida Department of Transportation will discuss the updates underway for the Florida Transportation Plan (FTP) and Strategic Intermodal System (SIS) Policy Plan.

Recommended Action: *For Board Information*

6. EXECUTIVE DIRECTOR'S REPORT

A status report on the activities of the Capital Region Transportation Planning Agency (C RTPA) and other items of interest will be provided.

- Oral report on the May 14, 2015 meeting with FDOT consultant contracted to conduct a planning study of potential improvements to address congestion on Thomasville Road and the I-10 interchange.

Recommended Action: *For Board Information*

7. ITEMS FROM MEMBERS

This portion of the agenda is provided to allow members an opportunity to discuss issues relevant to the C RTPA.

8. CITIZEN COMMENT

This portion of the agenda is provided to allow for citizen input on any C RTPA issue. Those interested in addressing the C RTPA should complete a speaker request form located at the rear of the meeting room. Speakers are requested to limit their comments to three (3) minutes.

9. INFORMATION

- A. Correspondence
- B. Committee Actions (Citizen's Multimodal Advisory Committee/ Technical Advisory Committee/Transportation Disadvantaged Coordinating Board)
- C. Future Meeting Dates and Agenda Items (Next Meeting: June 29, 2015)
- D. C RTPA Expense Reports

Recommended Action: *Information only - No action required*
