2. PRESENTATIONS/DISCUSSION

A. Subcommittee Restructuring

This item is to discuss the need to restructure the subcommittees of the CRTPA to capture involvement from the 4-county region of the CRTPA. Issues such as attendance, meeting location and times, membership, and interests represented will be discussed. This is an opportunity for the subcommittees to help restructure the advisory committees to the CRTPA and to bring forward recommendations for improvements to the overall function of the subcommittees.

The restructuring will be discussed at the October 17, 2011 retreat of the CRTPA. It is the aim of CRTPA staff to initiate the necessary changes to structure and bylaws soon thereafter. It is hopeful that the restructuring will be completed early in the 2012 calendar year.

Recommended Action: For committee discussion and comment.
