

Solicitation of Project Applications for Transportation Enhancement Funding

The Capital Region Transportation Planning Agency (CRTPA) is seeking applications for transportation enhancement projects. The Federal Transportation Act, known as SAFTEA-LU, contains funding for projects that strengthen the cultural, aesthetic or environmental value of the transportation system and includes the four main project types:

- Bicycle and pedestrian projects
- Historic preservation related to service transportation
- Landscaping and scenic beautification
- Environmental mitigation

The CRTPA will be holding two workshop sessions to discuss the enhancement funding application process. The workshops will be held on:

Thursday, April 30
